

Tahado Privacy Policy

This privacy policy explains how Tahado App, handles personal information and other data we obtain from you anytime you interact with the Application services, features, products, and content.

Personal information means data which identifies an individual person, like name or email address. If we store personal information with data that is non-personal, we will consider the combination as personally identifiable formation. If we remove all personal information from a set of data, then the remaining data is non-personal. Data from merchant subscribers, like a business email address, is non-personal information.

INFORMATION WE COLLECT FROM YOU

Tahado does not collect store or process personal information unless you choose to register with us.

REGISTRATIONS

If you choose to register for the Services, Tahado collects and stores the information we require you to provide: your name, phone number, email address and password you choose. We combine and store this information together with additional information that we request in the Settings section at and after registration, such as the gender, birthday date, nickname, and addresses. We also will combine your personal information with all the materials that you upload such as photo and gif files, video and audio files, and messages, as well as with the operational information that we collect via technology while you navigate through our Services (see the section below.)

Tahado processes your personally identifiable information only in accordance with this Privacy Policy or any applicable service-specific privacy notice. Please note that Tahado may use your information for marketing unless you ask us not to; see the section below on Managing your Information.

By registering with Tahado you are authorizing us to collect, store and use your personally identifiable information in accordance with this Privacy Policy.

Tahado Privacy Policy

FINANCIAL INFORMATION

If you send gifts or purchase products through the Services, your financial information, such as your payment method (valid credit card number, type, expiration date or other financial information), is collected and stored by our third-party payment processing company (the "Payment Processor") and use and storage of that information is governed by the Payment Processor's applicable privacy policy.

As of the Effective Date of this Privacy Policy listed below, Arab African International Bank is the Payment Processor used within the Services and to facilitate your order transactions, we collect and store your credit card type and the last four digits of your credit card number, but no other financial information.

INFORMATION COLLECTED VIA TECHNOLOGY, BROWSING

When you browse our Services Tahado's servers automatically log standard technical/operational information, such as your IP address, browser type, operating system, and the date and time of your request.

Tahado uses this operational information to help us improve our service and customize your experience at our Services. We use aggregated information to track trends and analyze use patterns.

Cookies: Tahado also uses "cookies" – small files containing a string of characters sent to your computer that uniquely identifies your browse. Sending a cookie enables us to collect operational information and to keep a record of your preferences. We use session cookies to keep you logged in while you use features of our service; these disappear after you close your browser. If you agree to stay logged in, we will also use a persistent cookie that stays in your browser and allows us to recognize you when you return to the site.

Third party analytics: Tahado may use analytics companies/tracking services to administer our Services, to enhance your online experience and to learn about how you use Tahado services to improve the quality of our Services. This data includes usage and user statistics but is not used to identify you. These third-party partners perform analytics for us and others.

Tahado Privacy Policy

INFORMATION DISCLOSURE

Tahado does not sell, trade, rent or otherwise share your personally identifiable information, including any of your user profile data that you create, with other organizations for their marketing or promotional uses.

Tahado may disclose personally identifiable information about our users to third parties: (a) with your consent or as otherwise stated in this Privacy Policy; (b) when we have a good faith belief it is necessary pursuant to a subpoena or other judicial or administrative order; (c) where required by law; or (d) at our sole discretion, where we deem necessary to respond to claims, to protect the safety of any individual or the public, to fight against fraud, or to protect the rights or property of Tahado or any third party.

We do disclose personally identifiable information to affiliated companies, sub-contractors, other agents or businesses or persons to: provide web site hosting, maintenance, and security services; fulfill orders; conduct data analysis and create reports for us; offer certain functionality; assist Tahado in improving our service and creating new service features and perform marketing for us. We require that these parties process such information in compliance with this Privacy Policy, we authorize only a limited use of such information, and we require these parties to use reasonable confidentiality measures to keep your information secure.

Tahado may also disclose to third parties anonymous aggregated user information that is not personally identifiable.

Social Media Features. Our Services may include social media features or widgets, such as the Facebook Like button. Use of these features may allow them to collect your IP address, detect which page you are visiting on our site, and set a cookie to enable the feature to function properly. Your interactions with these features are governed by the privacy policy of the third party providing the function.

Data Integrity: Your Right to Manage your Information

Tahado takes reasonable steps to ensure that the personal information we process is accurate, complete, and current, but we depend on our users to update or correct their personal information whenever necessary.

You have the right at any time to prevent us from contacting you for marketing purposes. Contact us at Customer.support@tahado.net or follow the unsubscribe instructions at the end of any commercial email you receive from us. Please note that we may continue to send you administrative emails such as updates to this Privacy Policy.
